

Correction for the video “Text Generation - 1”

Please note the following correction in the video named “Text Generation - 1”:

Time-stamp	Cell no. in video	Correction
12:10	7	<i>Instead of</i> vocab_size = len(tokenizer.word_index) <i>should be</i> vocab_size = len(tokenizer.word_index) + 1

1 is added to consider the **out of vocabulary token** (i.e. ‘oov_token’) while calculating the vocabulary size.
